The Prologue also sets up the frame story that holds the rest of the tales together. It is loosely in the form of an estates satire—a satirical analysis of the different estates of society. In the Middle Ages there were three main estates—the first estate included members of the clergy and religious orders, the second estate were made up of the nobility, and the third estate were composed of peasants.

Canterbury Tales :Prologue - Study Guide Flashcards | Quizlet
The General Prologue was probably written early in the composition of the Canterbury Tales, and offers an interesting comparison point to many of the individual tales itself. Of course, it does not match up to the tales as we have them in a number of ways: the Nun's Priest and the Second Nun are not described, and, most significantly, the work as we have it does not reflect the Host's plan.
