This is the best young  
children's Bible story  
book that I have found.  
It stays true to the  
Bible- rather than

adding or taking things away from the Bible stories. It also does not leave out important details that other story books often do. It is the equivalent of summarizing what you just read in a Bible story. I HIGHLY recommend this!

The stories are compelling to children,

fascinating, and the  
focus - Christ himself.  
For those who believe  
honoring the 2nd  
commandment  
involves avoiding  
making images of  
Christ, this is probably  
the only story bible  
available that contains  
no illustrations of  
Jesus.
