Africa 20th

Anniversary

Edition

Dancing Skeletons is, after all, a work of non-fiction and, as entertaining as it was and as pleasurable as it was to read, it was about real life –and death, and, therefore, did not have a plotline that could be fulfilled where all loose ends could be neatly tied at the end. As Dettwyler implies in her final paragraph of the book, Malian adults and their children continue to

ethnography that covers many aspects of life in Western Africa.

The detailed account of the relationships the author has with

everyone from children and their parents to

complete strangers in the street provides a

very easy read while also giving the reader

an excellent and in depth look at the

everyday life of the people in this third

world country.
