Gerontological Nursing Exam Sample Questions | ANCC | ANA

This pre-course assessment is used to help measure a baseline level of the students' understanding regarding geriatric issues. Questions focus on the related challenges facing the nursing professional caring for the geriatric patient population. Key physiological and psychological aspects of caring for the older adult patient are incorporated in this pre-assessment.

Geriatric Exam Questions and Answers PDF 2020

The priority role of the nurse is advocacy. The nurse must serve as the advocate for both the fetus and the mother at risk as the result of this ethical dilemma where neither option is desirable. As an advocate, the nurse would seek out resources and people, such as the facility's ethicist or the ethics committee, to resolve this ethical dilemma.
