Impro Supakey User Manual

SupaKey is a simple but effective single door access controller, allowing up to 80 tag holders to gain entry, using button, tear drop, thick card or ISO thickness card from the Impro range. Also, for added security, a four digit PIN number can be set for each individual user.

Impro SupaKey — IFSEC Global

The user's manual includes tables to provide step by step instructions on replacing and deleting the tags, authorising the PIN numbers, changing the buzzer volume, and also gives a general overview of the system. A useful feature on the back page is a blank table to fill in the details of tags issued to users.
