[Viola Spolin -- The Grandmother of Improv and Improvisation](#)

Viola Spolin was a theatre academic, educator and acting coach. She is considered an important innovator in 20th century American theater for creating directorial techniques to help actors to be focused in the present moment and to find choices improvisationally, as if in real life. These acting exercises she later called Theater Games and formed the first body of work that enabled other directors and actors to create improvisational theater. Her book Improvisation for the Theater, which publish
