MOTU.com - Downloads

Hello all! Well, its not my first choice... but the price was right... it was given to me. So I now have a MOTU MIDI Time Piece II. And I have no idea what I can do with it, other than the basic functions on the front, which are quite useful in a couple of different situations (makes a great MIDI router, of sorts, for large guitar rigs), but I'm wondering how much I'm missing.
