Andante • Music Practice Journal

The single biggest reason to keep a journal is to document your progress. Much as you would document a day's events in a regular journal, your practice journal will have a record of your accomplishments and trials over the course of the session. Throughout the practice, I would make notes of certain things.

Music Practice Notebooks - CafePress

In music practice, this means let's say I practice a passage from a piece, then take just a few moments to think about what I did, what I figured out, what worked, what didn't, etc. and write that in my journal. Just the act of thinking about things in this way helps your retention of new information. Writing it down helps even more.

Music Practice Log, Sheet, Chart Schedule | MusiciansWay.com
Method #2: Practice Journal Notebook with Tags. Another option is to create one notebook called "Practice Journal" and then tag each note with the specific piece. That allows for more flexibility since one note can have multiple tags. If you use Evernote for multiple areas of your life like I do, you'll probably want to use the tagging ...
