How to Make an Origami Frog

Origami Frog Base Instructions; Start with a square sheet of paper with color-side facing up. Fold and unfold along the diagonal in both directions to get an X crease. Flip the paper over so white-side is facing up. Fold in half from left-to-right. Unfold. Fold the paper in half from top to bottom.

---

Origami Frog Base

As with most origami, these frogs are a little easier to fold if you have actual origami paper, since it's nice and thin (this 120 sheet pack is only \$6 on Amazon <-affiliate link), but you can really use any square piece of paper. Once your frog is folded, press down on the folded "legs" with the tip of your finger, then quickly slide your finger off to make the frog jump. Depending on how hard you push the legs down, you might be able to get the origami frog to make one perfect flip ...

How To Make An Origami Jumping Frog - Folding Instructions ...

There are several different ways to make an origami jumping frog, some using square paper and some using rectangular paper. This tutorial shows a simple way to make an origami jumping frog using a rectangular index card. Index cards are harder to fold than regular origami paper but will result in a frog that can jump higher.

---

How to Make an Origami Jumping Frog (with Pictures) - wikiHow

Start with a square piece of origami paper (green makes convincing frogs). Now make a square base. Next insert your finger in one of the pockets in the square base. Move the pocket around to the front, then flatten and crease it. This classic origami move is known as the squash fold. Photo below shows one of the squash folds completed.
