~~Bailment | Lawyers.com~~

This article explains the bailment concept and definition. Bailment is a special type of contract found in Sections 148 - 181 of the Indian Contract Act 1872. Section 148 of the Indian contract act defines bailment as “ the delivery of goods by one person to another for some purpose, upon a contract that they shall, when the purpose is accomplished, be returned or

~~Protection Of Property Bailment And~~  
“Bailee” is the party to whom personal property is delivered under a contract of bailment. There are several different kinds of bailment, and each has its own duties and obligations. No Strict Liability. There is a misconception that once a bailment is established, there is an absolute duty on the Bailee to return the property to the Bailor.

The new uniform Federal personal property securities law will take effect from 1 May, 2011 under the Personal Property Securities Act 2009 (PPSA). This bulletin examines the effect of the PPSA on bailment or 'floor plan' facilities. The new law is still in a state of flux and this bulletin is general in nature.

## ~~Leases and bailment (Chapter 17)– Property Law~~

A bailment arises when a 'bailee' takes voluntarily possession of goods belonging to another, gaining possessory rights and related obligations in relation to the goods, but not gaining ownership of the goods (or an immediate reversionary interest in the goods). It follows that any transfer of both possession and ownership is not a bailment.

## ~~Bailment—Definition, Examples, Cases, Processes~~

It is crucial to understand that legal ownership of the property itself is not being transferred, only the physical possession of it. The bailor remains the legal owner of the property. The bailee possesses the property for a specific purpose and must return it to the bailor in accordance with the bailment agreement.
