In deciding if Rogue Leaders: The Story of LucasArts is right for you, then, think of it like a whirlwind tour on a cross-country trip. It's the "10-cities-in-10-days" package, with quick stops at places that are well worth seeing - so much so, you'll want to stay longer but aren't afforded the opportunity, though at least you'll come away with beautiful pictures of your visit.

Rogue Leaders typically spends two pages per game. That could be enough room if the type size and line-spacing was that of a normal book or magazine article, but unfortunately here it amounts to little more than 300 words per game for bigger titles, like 'Day of the Tentacle' or 'Sam & Max', and even less for games like 'Loom'.
