Thongchai Winichakul - Wikipedia

Siam Mapped challenges much that has been written on Thai history because it demonstrates convincingly that the physical and political definition of Thailand on which other works are based is anachronistic. The work is an important contribution to the study of Thai history, to the study of Southeast Asia—and indeed much of the world—in ...

Siam Becomes Thailand | History Today

Siam's token participation in World War I secured it a seat at the Versailles Peace Conference, and Foreign Minister Devawongse used this opportunity to argue for the repeal of the 19th-century unequal treaties and the restoration of full Siamese sovereignty. The United States obliged in 1920, while France and Britain followed in 1925.
