8. Productize Your Offerings. Most training start-ups struggle to accurately define their capabilities and services. They promise the customer they can do anything the customer wants. But clients buy specific products and services, not a nebulous claim of proficiency. If your main business is a service, then productize that service.

Siegel's decision to start training clients in his home in 2001 preceded part-time work as a personal trainer at the local YMCA. His prior experience training clients, a newly earned ACE Personal Trainer certification, and decades spent in the workforce likely made up for his lack of entrepreneurship.

An increasingly popular personal training business is taking your in-person personal training services to the homes or facilities of your clients. If you are interested in this route, there are a few things that you'll have to keep in mind as you start an in-home personal personal trainer business.

How to Start a Personal Training Business from Home

A personal trainer marketing service with a built-in client base can help you get your name out there and do all the dirty work of seeking out contacts and promoting your personal trainer services. All you have to do is make an online profile, sit back and watch the appointments roll in, while focusing on what you do best: training!

How to Start a Personal Training Business

Personal training is an exciting industry to be in right now! Starting a personal training business can offer a satisfying combination of financial reward, a flexible schedule, and a career where you can make a profound difference in the lives of others.

Clientele for personal trainers tends to be on the wealthier side, which means the market has the money needed to pay for your services. Freelance personal trainers have far greater earning potential than the fitness workers' median average of \$35,785 per year, which makes going on your own more profitable than being an employee of a gym or fitness facility.

If you start your own fitness facility, you'll be responsible for lots of other jobs, including these: Maintenance and custodial (five to seven hours a week). You'd be astonished by how much time you spend vacuuming, cleaning toilets, doing laundry, wiping down equipment, taking out the garbage, and, depending on where you live, shoveling snow or maintaining green spaces.
