The Disposable American Layoffs And

Transcript of "The Disposable American: Layoffs and Their ...

"The Disposable American" appropriately touches on many areas outside of, but directly related to lay-offs: sociology, culture, media, politics, public policy, and the psychological condition of those involved. Lay-offs are an important topic but the way it's presented seems too subtly poignant and explicitly tragic.

How Pink Slips Hurt More Than Workers - The New York Times

The following is a transcript of Nayan Chanda's interview with Louis Uchitelle, economics writer for "The New York Times" and also the author of "The Disposable American: Layoffs and Their Consequences," conducted on May 11, 2006.

The Disposable American by Louis Uchitelle: 9781400034338 ...

An account of layoffs in America, their questionable necessity, their overuse, and their devastating impact on individuals at all income levels. Economics journalist Uchitelle explains how, in the mid-1970s, the first major layoffs, a limited response to the inroads of foreign competition, spread and multiplied, in time destroying the notion of job security and the dignity of work.

The Disposable American: Layoffs and Their Consequences ...

Layoffs have become a fact of life in today's economy; initiated in the mid 1970s, they are now widely expected, and even accepted. It doesn't have to be that way. In The Disposable American, award-winning reporter Louis Uchitelle offers an eye-opening account of layoffs in America—how they started, their questionable necessity, and their devastating psychological impact on individuals at ...

'The Disposable American: Layoffs and Their Consequences,' by Louis Uchitelle Brad DeLong is a professor of economics at the University of California, Berkeley, and a former deputy assistant ...

The Disposable American: Layoffs and Their Consequences ...

The Disposable American looks at the phenomena of mass layoffs from a variety of perspectives--employee, CEO, politicians (both local and national), etc.--and places them in a historical context. I thought this was an excellent, though quite depressing, book.

The Disposable American: Layoffs and Their Consequences ...

Layoffs have become such a large part of American economic life that it is hard to recall when they were rare. During most of the twentieth century, job stability was the

The Disposable American: Layoffs and Their Consequences by ...

The Disposable American: Layoffs and Their Consequences is a 2006 book written by New York Times reporter Louis Uchitelle, and it was his first. It was published by Alfred A. Knopf, Inc. The book is concerned with the far reaching layoffs occurring in the United States, the damage he perceives this causes the country, and the psychological harm he perceives dealt to workers by this phenomenon.

Amazon.com: Customer reviews: The Disposable American ...

Are widespread layoffs a normal and necessary part of U.S. business? No, says Louis Uchitelle in The Disposable American: Layoffs and Their Consequences. Uchitelle, an award-winning New York Times business writer, traces the history of work since the rise of corporate America, providing an interesting perspective on how various laws, policies and programs have affected American business and ...
